| Reasons for comment: | | |
| Comments: | 350 houses - Potentially, 700 cars + Delivery and Service Vehicles. 700 cars using dangerous access onto the A227 near junction with Green Lane and busy shopping area. This section of Wrotham Road is full of parked cars alongside Meopham Community Academy and Mini Meophams Nursery during start and finish times. How will our infrastructure cope with this increase The wrotham road A227 is congested from meopham school and meopham nursery and the doctors surgery in which queues go back to norwood lane to meopham school in the mornings and evenings where queues pass me the vets from meopham school in the evenings .With this increase it will be dangerous due to the high volume of traffic and access | |

Kind regards
