## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Firstly this is Green belt land , this should be a valued status for obvious reasons. The infrastructure is currently unable to handle the current population, the A227 is heavily congested, the drainage system is incapable of handling heavy rain, large scale development will only exacerbate these & other issues . There are no provisions to address these & many other issues that I am aware of.

Kind regards
