Dear Mr Duckett,

Proposed Diversion of Sewers - Section 185 Water Industry Act 1991
Development: Land at St Columba's Close, Gravesend, Kent, DA12 4AJ

Thank you for providing us with the requested additional information regarding the diversion of the public sewers at the above location.

Your application will be progressed by our S185 team and we will send you our response within 28 calendar days.

Please note that diversionary works will not be permitted without the written approval of Southern Water and can only commence on site when notification is received from our legal department that the Agreement is signed.

Should it be necessary to contact us please quote our above reference number in all communications relating to this application. You can reach us on 0330 303 0119.

In the future, it may be beneficial to you to apply via our Get Connected customer portal, which will allow you to track the progress of your application online. Please visit our website for more information.

Yours sincerely,

Bethany
