

20240139

Note from phone call taken by Sharon Bickerstaff of this office on 30<sup>th</sup> April from [REDACTED]

[REDACTED] Church Street, Higham. [REDACTED]

[REDACTED] I made a note of her objections for her.

She wished to object to the application expressing concern that it will cause difficulties with more traffic going up and down the road and there is already not too much pathway for pedestrians and the grass is overgrown onto the road. It will also be difficult for cars and lorries to pass as there are already lorries going up and down the road.
