Reasons for comment:	
Comments:	<p>I am very concerned that we are being asked to lose our green spaces I always believed that it was illegal to build on green belt when there are a great deal of brown sites and land possibly with planning permission very close by waiting to be developed Gravesend town has many, and the infrastructure to support an increase in population</p> <p>Istead Rise is a small community with limited resources that barely suit our needs It would be a terrible shame to add to the urban sprawl And seems a lazy option</p>

Kind regards
