Reasons for comment:

Comments:	<p>Objections to Planning Ref 20251233 i.e 154 Houses behind Downs Road, Istead Rise</p> <ol style="list-style-type: none"><li>1. This is already a very overcrowded traffic area.154 extra Houses means a minimum of 308 cars but more likely 462 cars</li><li>2. Where are all these occupants of these new houses going to go for Doctors appointments. Both Meopham Medical Centre and Istead Rise Doctors are fully subscribed.</li><li>3. As per point 2 above, where are any children going to go to school?</li><li>4. Trying to travel along the A227 especially with the 3 xSchoosl (I,e Istead Rise &amp; Meopham, junior and senior) and Meopham Medical Centre at school time takes forever in a car</li><li>5. Facilities are already stretched. The area cannot accommodate hundreds more cars trying to gain access to the A227 or A2 and surrounding roads</li><li>6. Istead Rise is becoming jammed with vehicles as they take short cuts through to the A2</li></ol>
