

Application: 20240043

**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF GRANT OF PERMISSION TO DEVELOP LAND
--

To: **Mr Reggi Donovan
C/O Mr Michael Mason
15 Ashleigh Road
London
Greater London
SE20 7YW**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **GRANTED PERMISSION** for development of land situate at:

**Westwood
Whitepost Lane
Culverstone
Gravesend
Kent
DA13 0TW**

and being **Erection of a single storey rear extension and first floor extension over existing garage. Conversion of garage into habitable rooms, erection of an outbuilding to the rear and detached double garage to the front. Front boundary wall and gates.** Your application dated 19th January 2024 is permitted subject to the following:-

1. The development hereby approved shall be begun not later than 3 years following the date of this decision.

Reason: In pursuance of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following schedule of approved plans:

Application Form
WES/278/01 - Site Location Plan
WES/278/03 - Existing and Proposed Site Plan
WES/278/04 - Existing and Proposed Ground Floor Plan
WES/278/05 - Existing and Proposed First Floor Plan
WES/278/06 - Existing and Proposed Roof Plan and Outbuilding Floor Plan
WES/278/08 A - Proposed Elevations
WES/278/09 - Proposed Elevations - Garage and Outbuilding
Design and Access Statement

Reason: For the avoidance of doubt and in the interests of proper planning.

3. The materials used in the construction of the external surfaces of the development hereby permitted shall be in accordance with the details shown in the Application Form.

Reason: To ensure a satisfactory visual relationship between the existing and the new development in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (2014).

4. Any soft or hard landscaping treatment within a depth of 2 metres from the back edge of the highway, shall be maintained at a height not exceeding 600mm maximum.

Reason: To protect pedestrian visibility splays in the interests of road safety in accordance with Policy CS11 of the Gravesham Local Plan Core Strategy (2014).

5. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking and re-enacting that Order with or without modification), no fences, gates or walls shall be erected within the curtilage of the dwellinghouse forward of any wall of that dwellinghouse which fronts onto a road within 5.5 metres depth clearance from the back of the footpath.

Reason: To protect pedestrian visibility splays in the interests of road safety and to ensure a satisfactory visual relationship between the existing and the new development in accordance with Policy CS11 and CS19 of the Gravesham Local Plan Core Strategy (2014).

6. The garage and outbuilding hereby permitted shall not be occupied or used at any time other than for purposes ancillary to the residential use of the main dwelling known as Westwood, Whitepost Lane, Culverstone and shall not be used, sold, parted, let or exchanged as separate units of accommodation, and no business, commercial or industrial use shall be carried out.

Reason: Separate units of accommodation would be inappropriate on this site and in accordance with Policies CS02 and CS19 of the Gravesham Local Plan Core Strategy (2014).

7. Notwithstanding the provisions of Article 3, and Part 1 Classes A and G of Schedule 2 to the Town and Country Planning (General Permitted Development)(England) Order 2015, as amended, or any provision equivalent to those Classes in any statutory instrument revoking and re-enacting that Order, with or without modification, no window, door or other form of opening shall be formed in the flank elevations of the extension hereby permitted.

Reason: In order to safeguard the amenity and privacy of the occupants of the neighbouring properties in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (2014).

8. No access shall be gained to the flat roofed area indicated on the approved plans other than for the purposes of carrying out routine maintenance to the dwelling of which it forms part. In particular, this flat roofed area shall not be used as a veranda, balcony, roof garden or similar amenity area; nor shall balustrades, railings or other means of enclosure be erected around it.

Reason: To allow the Local Planning Authority to exercise control over any future development at the application site in the interests of the character and amenities of the locality in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (2014).

INFORMATIVES:-

1 WORKS OF CONSTRUCTION

Hours of work of construction site plant, equipment and machinery, should be restricted to not earlier than 7.00 a.m. and not later than 6.00 p.m. weekdays and Saturday working should be restricted to not earlier than 8.00a.m. and not later than 1.00 p.m. No work shall be carried out on Sundays, Bank or Public Holidays.

i. Suitable sound attenuation shall be used at all times in respect of all plant, machinery and equipment in operation on site in order to aid prevention of noise nuisance. Compliance with BS 5228: Part 1: 1984 and subsequent amendments regarding the use of equipment on site will be required in appropriate cases.

ii. A suitable method of control shall be used in order to aid prevention of dust nuisance arising from work activities on site.

iii. Burning of waste materials shall not be carried out on site. Such materials are to be stored in a suitable receptacle, as far from residential accommodation as reasonably practicable, pending disposal off site.

iv. Adequate arrangements shall be made to remove all waste material from the site on a regular basis and to dispose of it at a suitably licensed waste disposal site.

2 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

3 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

4 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2023, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

5 SOUTHERN WATER COMMENTS

The exact position of the public asset must be determined on site by the applicant in consultation with Southern Water before the layout of the proposed development is finalised.

- The 150 mm public foul sewer requires a clearance of 3 metres on either side of the public foul sewer to protect it from construction works and to allow for future maintenance access.

- No development or tree planting should be carried out within 3 metres of the external edge of the public foul sewer without consent from Southern Water.

- No soakaways, swales, ponds, watercourses or any other surface water retaining or conveying features should be located within 5 metres of public or adoptable gravity sewers.

- All existing infrastructure should be protected during the course of construction works.

Please refer to: southernwater.co.uk/media/3011/stand-off-distances.pdf

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Please note: There is a private communication and foul pipe within the development site.

Foul and Surface Water Drainage

Southern Water requires a formal application for any new connection to the public sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

Our initial investigations indicate that there are no public surface water sewers in the area to serve this development. Alternative means of draining surface water from this development are required. This should not involve disposal to a public foul sewer and should be in line with the Hierarchy of H3 of Building Regulations with preference for use of soakaways. gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed

development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
