20191170	EDC Consultation EDC/19/0177 - Request under Section 106A of the Town and Country Planning Act 1990 (as amended) to modify a planning obligation in respect of use of the access tunnels to serve the residential and mixed use areas of the development approved by Outline planning permission reference EDC/16/0004.	Observations Sent	22.11.2019

Development Plan

Gravesham Local Plan Core Strategy (2014)

- CS01 – Sustainable Development
- CS02 – Scale & Distribution of Development
- CS03 – Northfleet Embankment and Swanscombe Peninsula East Opportunity Area
- CS07 – Economy, Employment and Skills
- CS11 – Transport
- CS12 – Green Infrastructure
- CS18 – Climate Change
- CS19 – Development & Design Principles
- CS20 - Heritage and the Built Environment

Gravesham Local Plan: First Review (1994)

- TC7 - Other Archaeological Sites
- T1 - Impact of Development on Highway Network
- T5 - New Accesses onto Highway Network
- P3 – Vehicle Parking Standards

Paragraph 34 of the NPPF (2024) sets out that policies within adopted local plans should be reviewed to assess whether they need updating at least once every five years, and should then be updated as necessary. Such reviews are also a legal requirement as set out in Regulation 10A of the Town and

Country Planning (Local Planning) England Regulations 2012.

The Council undertook such a review in September 2019 and found that the adopted Local Plan Core Strategy is in need of a partial review in terms of Policy CS02, due to the increased need for housing since the Local Plan Core Strategy was adopted and the need to ensure that a sufficient land supply exists to meet this need. Whilst saved policies from the Local Plan 1st Review (1994) generally conform with the NPPF (2024), the Council will also seek to replace these.

National Planning Policy Framework (2024)

- Section 2 – Achieving Sustainable Development
- Section 4 – Decision-making
- Section 6 – Building a strong, competitive economy
- Section 11 – Making effective use of land
- Section 12 – Achieving Well-Designed Places

Supplementary Planning Guidance

- SPG 2 – Residential layout guidelines including Housing Standards Policy Statement October 2015 Adopted 1996 – amended June 2020
- Technical Housing Standards – Nationally Described Space Standard (2015)
- SPG 4 – KCC Parking Standards (2006)
- Gravesham Householder Extensions/Alterations Design Guide (2021)
- Design for Gravesham – Design Code (2024)

Emerging Local Plan as a Material Consideration

Paragraph 48 of the Framework makes it clear that planning applications can only be determined in accordance with the development plan, unless material considerations indicate otherwise. An emerging Local Plan, does not form part of the Development. The Framework, at Paragraph 49 allows local planning authorities to give weight to relevant policies in emerging Local Plans, according to:

- The stage of preparation of the emerging plan (the more advanced its preparation, the greater the weight that may be given);
- The extent to which there are unresolved objections to relevant policies (the less significant the unresolved objections, the greater the weight that may be given); and
- The degree of consistency of the relevant policies in the emerging plan to the Framework, the closer the policies in the emerging plan to the policies in the Framework, the greater the weight that may be given to those policies.

West Oxfordshire District Council v Secretary of State for Housing, Communities and Local Government & Rosconn Strategic Land Ltd [2018] EWHC 3065 (Admin) is a High Court judgement that deals with the weight to be given to a Regulation 19 Local Plan. In this judgement the Court found that the weight to be given to an emerging Local Plan, was a matter of planning judgement, which had to be reached having fully considered the relevant part (Paragraph 49) of the Framework.

The Council's emerging Local Plan, is in the process of being consulted upon (it has reached Regulation 19 stage), the Council is not yet aware of whether third parties will support or object to specific policies within the Plan, or whether they will consider the policies with the emerging Local Plan to be broadly sound and consistent with the NPPF (2024). Taking this into consideration, one can only conclude that at this stage of the process, **limited (i.e. minimal) weight should be afforded to the emerging Regulation 19 Local Plan**. This position would only change once the emerging Local Plan has progressed towards submission and examination, with the Council being fully aware of policies that are subject to unresolved objections and with knowledge of policies that have had their soundness and conformity against the Framework challenged.

This approach accords with the approach taken in a separate High Court case, Gladman Developments Ltd v SSHCLG & Corby Borough Council; & Uttlesford DC [2020] EWHC 518 (Admin) and Court of Appeal [2021] EWCA Civ 104, which was also the subject of a Court of Appeal Ruling [2021] EWCA Civ 104.

Other Relevant Guidance

- Ebbsfleet Implementation Framework 2017
- Design for Ebbsfleet Guide
- Ebbsfleet Public Realm Strategy
- Ebbsfleet Sustainable Travel Strategy
- North Kent Strategic Housing and Employment Needs Assessment (SHENA)
- Gravesham Economy and Employment Background Paper (October 2020)

Officer's Analysis

This application is the associated Ebbsfleet Development Corporation consultation relating to the erection of a workshop (Use Class E(g)(iii)), access, parking, and associated landscaping, under EDC/25/0081. As an adjoining authority application, GBC is the lead authority on the same proposal under planning application reference 20250550.

The officer's analysis, consideration and recommendation is as laid out in the associated delegated officer report for planning application 20250550.

Conclusion

EDC are directed to view the associated delegated officer report and conditions against the associated adjoining authority planning application 20250550.

The EDC is thanked for consulting the Borough Council.

Recommendation
