Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This objection has been made due to the situation of the fact that one mobile home has been located before planning has been granted, also police not made aware of possible blockage of road, if this is what happening now without planning what gonna happen when passed, this location is not suitable for a travellers park due to access as already been seen, they are turning green belt into travellers park, would the borough council allow a house to be built there I wonder. I'm on the understanding that electric has been put into the location already which isn't on, I object to the fact as this is not a normal house build and residents should been consulted as it goes against the values of the village and that isn't fair, if this is allowed then it in the middle of homes which have been there many years, with no road access to the location. Public consultation need please
