Reasons for comment:

Comments:	I have looked through the planning application in detail and I adamantly support the change of use. The proposed use quite clearly guarantees the amenity of the local area because it is far better used in this way as opposed to the public house. The local residents will be far better serviced with the Academy in comparison to a public house with late night hours and drunkard behaviour disturbing residents on a nightly basis. There are over ten public houses within a 1-2 mile radius of this location and as such the social infrastructure will be in no way affected. In fact the social infrastructure will be clearly enhanced by the Academy's change of use. The council should support this application and organisations such as these so that residents can work cohesively to make Gravesham a better place.
