Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Imperative that we keep this land as is, infrastructure, wildlife will be hugely affected and we cannot allow more land to be taken away, once gone it cannot be replaced. The higher level of traffic will be a serious problem for this area. All necessary applications need to be addressed. More importantly our Imgreen land needs to be saved.

Kind regards
