Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	If the permit is granted this will make life easy for me and other members of the communities. The reason is because now we have to take our children to different locations for them to have their Islamic classes. Whereas if permission is granted I and other families will only have to drop of our children at 78 Peacock Street. I kindly hope you will consider our comments and grant permission.

Kind regards
