Reasons for comment:	
Comments:	<ul style="list-style-type: none">* Proposed access to site potentially very dangerous as road is very narrow* This is prime agricultural land - and we need food!* The position so close to the special SEN school could cause possible difficulties for vulnerable young people* The speed limit at this site is currently 50mph.* 120 new houses could mean 240 additional cars on our already very busy roads.

Kind regards
