### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is agricultural land farmed for centuries. The proposed development is on an extremely narrow, busy road, with resident parking on both sides. The road is highly congested and dangerous during school drop off and pick up times. The already high level of vehicle pollution next to the three adjacent schools and nursery will be severely increased. The development would be next to the Helen Allison School which is an SEN school where pupils are highly sensitive. Construction on this site will impact negatively on children who rely on a calm, low noise environment.

Kind regards
