Reasons for comment:	
Comments:	The proposal to build up to 150 dwellings adjacent to a tiny rural lane will create extreme, dangerous congestion in an already busy area. The loss of much needed farmland is basically unacceptable and cannot be justified. Existing access on to the A227 from Green Lane is already difficult, and would intensify in light of the enhanced volume of vehicles which would ensue. Population increase would have a detrimental effect on existing, stretched GP/NHS services, and on very limited local transport services.

Kind regards
