Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly object to the above planning application on the following grounds:</p> <p>The number of vehicles currently accessing the A227 from minor country lanes is already causing major traffic problems, especially during term time and rush hour. The addition of vehicles from the proposed 350 houses accessing the A227 adjacent to Cammer Parade, an already dangerous section of that road will cause chaos.</p> <p>The proposed site for this development on land currently used for food production is totally unacceptable. This is a rural area within green belt adjacent to a conservation area.</p>

Kind regards
