Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly object to the above planning application for the following reasons: With two schools within yards of each other and adjacent tp the proposed site for this development, an area already heavily congested with vehicles parked on both sides of the Longfield Road any additional traffic movements would be dangerous especially for pedestrians, mainly schoo; children. The proposed development on agricultural land which is fast disappearing under bricks and mortar countryside should not even be considered.</p>

Kind regards
