Reasons for comment:	
Comments:	<p>I strongly object to the above proposal for the following reasons:</p> <p>This development is yet another poposal where traffic issues are paramount. Vehicles accessing a busy fast moving road from a narrow country lane spells danger for all concerned.Do developers have any idea of the potential danger their proposed sites risk causing, I think not.</p> <p>Farmers are encouraged to increase food production, how is this to be achieved when increasingly large areas of agricultural land is dis appearing under concrete.</p>

Kind regards
