Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I am very concerned by this plan.</p> <p>There looks to be a very dangerous access to the houses.</p> <p>I don't believe that the A227 and the area near the shops can cope with any more traffic. This is already a blackspot for accidents.</p> <p>I also believe that the fields in this area should continue to be used for food production. This is essential for the country.</p> <p>I am further concerned about the visual impact on the area. It is adjacent to a conservation area.</p>

Kind regards
