Reasons for comment:	
Comments:	<p>This development will impact traffic flow within the village. Longfield Road is made narrower by residents parking and this will only become worse with greatly increased traffic flow.</p> <p>The site is high grade farming land, which ought to be used for the purpose of continuing important food production.</p> <p>The increased noise of traffic and the housing development will cause upset to pupils of the. SEND school next door</p>

Kind regards
