Reasons for comment:	
Comments:	Traffic on the A227 will be greatly impacted. During school times it's already difficult to negotiate parked vehicles, this development will make it much worse. The development will have a huge negative impact on the neighbouring country park. The vehicle access will be dangerous near the junction with Green Lane. The shopping parade is already an accident black spot. The road outside the George Inn is very narrow and will not cope with greater levels of traffic

Kind regards
