Reasons for comment:	
Comments:	<p>This site is large and used wholly for food production.</p> <p>The area around Meopham Community Academy already chokes with parked vehicles during busy periods, and this development will only worsen things.</p> <p>The access for potentially 700 vehicles on rural roads is not safe or sustainable.</p> <p>Road Sur faces will be damaged further with this increase in traffic.</p> <p>The A227 will be the main traffic artery for the greatly increased traffic, which is already terrible due to being a main route between the A2/M2 and the A20/M20.</p>

Kind regards
