Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>Objection to Planning Application 20251116 - Meopham</p> <p>I object to this outline application for up to 150 new dwellings in Meopham. This is an inappropriate level of development for a rural village with limited infrastructure. The local roads and country lanes are already under pressure, and additional traffic will increase congestion and safety risks. There is also not enough capacity in local GP surgeries, schools, nurseries or public transport to support this level of growth. Especially with 2 other developments planned. Green Lane and Norwood lane cannot cope with extra traffic, they are busy enough as it is for a rural village</p> <p>The surrounding fields, trees and hedgerows form an important part of Meopham's rural character and wildlife habitat. Developing this land would further erode the countryside, contribute to urban sprawl and permanently change the look and feel of the village.</p> <p>Overall, this proposal is not in keeping with the scale, character or long-term sustainability of Meopham and should be refused.</p>
