Reasons for comment:	
Comments:	Keep towns and rural spaces separate or the whole country will end up as sprawling mess . Meopham cannot accommodate more houses , completely ludicrous , there are no facilities now , regardless of suggestions that new facilities will be put into place , we all know this never materialises. I guess the planners have never tried to get their child into the local school , tried to get a Drs appt (that's of course , if they space to take in another person) tried to cross the A227 . Why oh why cannot they see the ruin of the environment that this is causing .

Kind regards
