Lawful Development Certificate (Proposed)

Application no:	20250832
Location	3 The Drive Gravesend Kent DA12 4BY
Proposal:	Application for a Proposed Lawful Development Certificate; Demolition of rear conservatory and erection of a single storey rear extension with 2 roof lights.
Applicant:	Sophie Lewis
Site Visit	N/A Desktop Assessment

Preliminary Matters

During the course of the application, it was ascertained that engineering works would be required to facilitate the extension due to the differing land levels within the rear garden. Additionally, there was an issue with the depth of the extension which would exceed the allowance under permitted development rights. The agent was contacted and provided revised plans to address these issues. These plans were accepted by The Local Planning Authority, and an extension of time to determine the application was agreed. The agent also confirmed that the proposed external materials to be used in the extension would match the existing dwelling.
