Reasons for comment:

Comments:	This shouldn't go ahead. The amount of traffic will increase tremendously on an already busy road outside of a park where small children may be crossing. The litter situation would be horrendous. If you look in town beside the existing McDonalds there is always litter strewn about. The town already has a McDonalds. So why do we need another one? Also to have a fast food 'restaurant' right next to a kids park will put pressure on parents to buy fast food. Which is so unhealthy. The air quality will worsen too, due to extra cars delivery bikes, right next to an open space, meant for children to enjoy. It's a mad idea all round. Please do not let this go ahead it will ruin the whole area.
