Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application this site is overlooking neighbouring properties, detrimental harm to character of the area and will cause friction with the settled community that resides here already. The fact a travellers site popping up with four neighbouring properties being affected is a cause for concern when the local council refuses to act in the interest of residents. There is no special circumstances to show this site is called for in the middle of a settled community.

Kind regards
