Good Afternoon Kelly,

Sorry about the late reply.
In regards to your previous email.

The proposed works at 5 St Marks Avenue will not encroach over the boundary at any point on either side of the property; all the foundation, roof and guttering will be on the client-side of the property.

The Client has been made aware of the email and has fully approved.

If you require any further information, please do not hesitate to contact me.

Kind regards
Sagyan
