Reasons for comment:	
Comments:	<p>This development would cause the unrestricted sprawl of a built up , with inappropriate encroachment into the countryside with loss of special character of the village.</p> <p>The local infrastructure is unsustainable and cannot cope with an increased population.</p> <p>There is a lack of adequate public transport provision.</p> <p>The increase traffic congestion is a risk to highways and pedestrian safety.</p> <p>It would lead to unacceptable levels of noise and air pollution. Design and appearance are out of character within the local area.</p>

Kind regards
