Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Main concerns are impact on traffic, parking and access - which could become dangerous due to small roads and volume of traffic including delivery and service vehicles. Also increased population around the Meopham area and strain on GP and NHS services and schools. The roads would not be able to cope with the amount of traffic. Traffic has increased immensely over the last few years so adding more homes is obviously going to cause a lot more congestion

Kind regards
