Reasons for comment:

Comments:	<p>I wish to object to the proposed development in Longfield Road.</p> <p>As things stand at the moment, driving into Longfield Road from the A.227 is horrendous and this development will only make matters worse. Vehicles are parked making it difficult to navigate with oncoming traffic. This is obviously worse when the schools are opening/closing. To create another housing development in this area will only exacerbate matters.</p> <p>Such a narrow road with housing and two schools cannot cope with the traffic now. It must be dreadful for local residents.</p> <p>The building/development of this site will not be favourable for the pupils of Helen Allison school. These children are SEN and as such do not like change or noise. Plus I would imagine their outlook will change dramatically.</p> <p>This land is agricultural land and should not be built on. We need home grown crops and vegetables, as opposed to importing foreign food.</p> <p>Please do not allow this proposed development to take place.</p>
