Reasons for comment:	
Comments:	<p>I completely disagree with this due to the facts that:-</p> <p>Our precious green belt land will be taken away, never to resurface. This is currently a local beauty spot, but no longer be that with these developments.</p> <p>The local road infrastructure in this area is insufficient to cope with the increase in traffic which would result. The narrow lanes already suffer with increased traffic, along with flooding on a regular basis.</p> <p>The current utility assets would not cope. Drainage would suffer with the loss of agricultural land</p>

Kind regards
