Reasons for comment:

|           |   |

| Comments: | I strongly object to this planning application.<br>This area is already congested with traffic and huge parking difficulty at the shops adjacent to the proposed site .<br>The road is extremely busy and is extra busy when either the A2 or M25 are blocked . Also many drivers break the speed limit of 30mph in this area and speed restrictions are not enforced . The addition of 350 houses will cause more congestion still .The Wrotham road in this area is a blackspot and another access road/junction would be dangerous . |

Kind regards
