Reasons for comment:

Comments:	<p>1 Enormously dangerous corner and bend - A school child is almost certainly likely to die - whatever ameliorating proposals are submitted. A227 is dangerous now I live 4 metres from its thundering traffic noise</p> <p>2 Erosion of the 'lungs' of the countryside in the village area.</p> <p>3 Developers are just that... In and out quick .... lip service to the long term residents. Promises largely sickly 'spin'</p> <p>We have been here 55 years</p> <p>4 Why not agricultural still?? - it is productive land - does the country and us locally want more Tarmac?</p> <p>5 There is masses of residential land availability between the A /M2 and the river why spoil countryside nearby which we residents AND those living in Gravesend to Dartford travel the short journey into the countryside - parks, sports grounds, Pubs,</p> <p>Do we want to become a uniform mush?</p>
