Reasons for comment:

Comments:	<p>I am very sad about this proposed development. The land is abundant with a variety of wildlife. Bats, owls, badgers, moles, slow worms, hedgehogs and rabbits. Foxes and their cubs as well. It would be detrimental to the wildlife in the area. Badgers and bats are protected under the conservation act. It also has lots of wild birds which thrive on the land.</p> <p>The traffic in the area is already too much. Constant traffic jams, dangerous driving and congestion. This in turn creates pollution The GP surgery is already overwhelmed and the area simply cannot support these extra houses. It would absolutely ruin the green area that Meopham is renowned for with its beautiful fields. Relaxation and tranquility.</p> <p>This should not be allowed to go ahead as it will absolutely ruin the wonderful village which it currently is. This should never be approved.</p>
