Reasons for comment:	
Comments:	<p>Road infrastructure is not adequate for such development this will add traffic, noise and pollution to this narrow laned already congested area!</p> <p>Such development will reduce the green area which is why people move to villages like Meopham.</p> <p>This will put strain on utilities infrastructure as the water pressure is already low in the area.</p> <p>This will also add more car emissions, access and egress particularly during school hours.</p>

Kind regards
