Reasons for comment:

Comments:	<p>Ref: 20250993</p> <p>Regarding the proposed development of 120 houses adjacent to the Helen Allison School I wish to object to this most strongly. This area is already very congested with cars having to stop and give way to oncoming traffic on numerous occasions due to the narrow roads. This road is also the main route to the weigh bridge at Green Street Green and with any additional lorries/van/car using this road would be disastrous.</p> <p>The Helen Allison School is a special school for children with special needs and the thought of work lorries and additional traffic in thar area is most concerning. Local GP services and schools will not cope with the additional households.</p> <p>We moved to this area for the piece and quite of the countryside approx. 45years ago but unfortunately this is now changing too quickly and is now becoming a very built up area that nobody wants.</p> <p>Please take this and other views of residents in the area seriously as this will impact on a lot of peoples lives.</p>
-----------	---

Kind regards
