| Comments: | <p>Ref: 20251116</p> <p>Yet again why build another lot of houses that will change the area forever. This is greenbelt - look elsewhere. There are other sites that can be built on that will not cause as much disruption</p> <p>The volume of vehicles along the Wrotham Road and surrounding areas is already at breaking point and thus further development will only add to it.</p> <p>Wrotham road is constantly being repaired and traffic lights going up all the time - this will only make it worse.</p> |

Kind regards
