

Re Planning application 20260747|Erection of single storey rear extension.³⁷

Scratton Fields Cobham Gravesend Kent DA12 3AS Please pass on to case officer Mrs Nina Goodbody We made a formal Objection to the application due to uncertainty that [REDACTED] Easement Rights could be impinged on. Both Applicant and I were away on Holiday during the first 2 weeks in August. On the Applicant's return, we have ascertained by accessing the site, and discussion with the Applicant that the Easement rights concerning Sewer and water connection to Long Reach will not be impacted by the proposed extension and our concerns are satisfied. Accordingly, we withdraw our objection to the proposed single storey extension and are happy to support the Applicant's application [REDACTED]
