Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This is my second comment as it is very confusing if you are unfamiliar with current planning processes. I OBJECT to any proposed developments on Green Belt Land that supports wildlife and contributes to reducing carbon in the atmosphere. As well as producing food and fully support a comprehensive EIA with a focus on these topics as well as the impact on local communities (well-being as well as infrastructure impacts)

Kind regards
