Reasons for comment:	
Comments:	We don't want any extra housing in Meopham. It's already busy. The local shops are swamped with cars and the doctors can't cope with the amount of people currently, let alone adding more. Traffic is worsening year on year. The infrastructure is not here for more residents. People live here for the beautiful countryside, adding more housing will only ruin that. The only people who win here are housing developers, who do not care about existing residents and green belt land. Please don't build here.

Kind regards
