Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to express my objection to the proposed development in Meopham. This project is likely to have a significant impact on local public services and will contribute to increased traffic in the area. It's essential to consider the well-being of our community and the strain this development could place on our infrastructure.

Kind regards
