Reasons for comment:	
Comments:	A development here would overload an already busy area. During the school run the roads are already at a standstill. The shop car parks are already too busy. Where will there be new dentists or new doctors for this development. I presume there will be no houses that local youngsters can afford. We do not need more executive homes for people from outside of Kent. What about the brownfield sites in Gravesend they should be built on first not prime farm land.

Kind regards
