Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	There needs to be a screening. The building of these homes will impact greatly on the village. Green Lane and Longfield Hill cannot cope with the level of traffic now. Our roads won't be able to cope with increase traffic, they are lanes, some in poor condition. We have one medical centre, that is stretched already. Meopham secondary school has already been extended to take pupils from outside the area. Where are all the extra children supposed to go to school? Where are all these extra people going to go for doctors appointments, dentist appointments? We will need a primary and secondary school, another medical centre and a dentist, the roads will need to be repaired and up graded. Why are you even considering allowing this to happen, when you have brown field sites that can be used. You should listen to the residents of Meopham and how this will affect them.

Kind regards
