| Comments: | <p>This mosque will be a brilliant addition to the Gravesend town.</p> <p>I will be attending regularly and sending [REDACTED] and I'm so pleased that there is a place for [REDACTED] for youth activities [REDACTED]</p> <p>The reality is the pub is a breeding ground for illicit behaviour, men used to come out of here in the late night disturbing local residents, sometimes urinating on the walls, and generally being rude and disrespectful to the local residents.</p> <p>They used to be open in the late night and it is inexplicable that the pub was not deemed a nuisance but the Al Haqq academy is somehow being stopped.</p> <p>I know all of my friends and local neighbours would prefer a grassroots organisation which focussed on community development as opposed to a 'boozer' for a select few who still go to it.</p> <p>There's more than enough pubs in the local radius, if I walk 5 minutes in any direction I will walk past 3 or 4 easily.</p> <p>The council have wrongly cited a loss in social infrastructure as they obviously do not know how pubs contribute to the community in 2025. We need somewhere for our youth to go to be safe and learn values - rather than go to get smashed and breed disrespect in the community.</p> <p>I have looked through the plans in detail and there is no scope whatsoever for the council to refuse this - all of the issues have been addressed, parking is not an issue, and I do hope the council realise that organisations like this need their support. If Gravesham council want their constituents to have a good future then in this multicultural town all faiths need to be protected and unity needs to be encouraged.</p> <p>It was bitterly disappointing that this was rejected in the first place and we were</p> |

deprived of a local community dedicated charity from operating. I sincerely hope the council support this application and ADD to the social infrastructure of Peacock Street and the town as a whole.
