Dear Sir/Madam,

Proposal: Installation of a borehole and 25,000 litre water storage tank and erection of a fibreglass structure to house the pump/pressure vessel.

Site: 20231014: - Gravesend Cricket Club Bat and Ball Ground Wrotham Road, Gravesend, Kent, DA11 0QP.

Thank you for your letter dated 10 October 2023.

Southern Water would have no objections to the above proposal.

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

Please note: There is a private communication pipe within the development site.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
