

This technical drawing is a detailed map of a residential area, showing a grid of streets and various landmarks. The map is oriented with North at the top. Key features include:

- Streets:** A grid of streets is shown, with major roads like 'Widham Road' and 'Beech Green' clearly marked. Smaller streets and alleys are also depicted.
- Landmarks:** The 'Red and Ball Cricket Ground' is a large, open area in the center-right. 'Beech Green' is a smaller green space. 'Widham Road Primary School' is located on the right side.
- Color Coding:** The map uses different colors to distinguish between various types of roads or boundaries. Blue lines likely represent main roads or boundaries, while red and yellow lines indicate other types of roads or boundaries.
- Numbered Points:** Numerous numbered points (circles) are scattered throughout the map, representing specific locations or landmarks. These numbers are often in the format of a four-digit number followed by a letter (e.g., 4001, 4002, 4003).
- Orientation:** The map is oriented with North at the top, as indicated by the 'N' symbol in the top right corner.

The drawing is a technical representation of a real-world location, likely used for planning or engineering purposes. It provides a clear and detailed view of the street layout and landmarks in the area.
