Reasons for comment:

Comments: Really want to object to yet another McDonalds in Gravesend, we already have two. Especially as this will be next to Woodlands Park which has a high volume of children visiting throughout the day and evenings in the summer. With a high volume of vehicle traffic as well as the litter and mess that will be created I really don't think it is compatible with a public park. As with the other McDonalds, no doubt there will be an element of anti social behaviour associated, especially during evenings and night time which will make Woodlands Park a virtual no-go area after dark. Please do not give this application the go-ahead.

Kind regards
