Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I am deeply disappointed with Gravesham council in allowing planning permission for a McDonald's restaurant where the woodlands restaurant stands. My objectives for this are, the increased noise pollution that will affect the local area, the increased light and petrol pollution.
The increasing of litter that the council struggles to clean up in my area, (Perry street) which in turn attracts wild and domestic animals to scavenge, and by doing so will create roadkills.

So, as a very concerned member of the public, I urge you to reconsider the planning application to be scrapped forthwith!

Kind regards
