Reasons for comment:

Comments: This is not something that is needed or will benefit the local community. It will have a negative impact on the surrounding park which is supposed to be a green area, this will encourage more rubbish left by young teenagers and encourage anti social behaviour with food available late night. Also it will encourage the racing of cars up and down wrotham road from the venue and to the petrol station off of the a2 putting risk to local residents and wildlife. What an eyesore in a community residential area also. We want to enhance the area not encourage obesity in children leaving school at a break times.

Kind regards
